BISHOP FITZGERALD CHESS TEAM

The Minister for Heritage, Culture, Sport and Leisure, the Honourable Edwin Reyes met with Bishop Fitzgerald's School Chess Team on their return from the semi-finals of the UK Primary Schools Chess Team Championships in Wales.

Mr Reyes heard an account of their exploits during their participation in the semi-finals. He listened with enthusiasm as the children recalled an action packed weekend and an experience that is guaranteed to be revisited by them for many years to come.

The Minister informed them that Gibraltar was very proud of how well they had played. He congratulated the young chess players and thanked them for visiting him at his offices and sharing a delightful afternoon.
