PRESS RELEASE

No:186/2010

Date: 30th July 2010

New Mental Health Facilities Building – Excavation into Europa Road to Lay New Water Services

A Contractor will be carrying out excavation works at Europa Road by the area of the ex-Naval Hospital Building, so as to provide new water services connections. Works will start as from 8.00am on Saturday 31 July 2010 and will continue throughout the day continuing towards Sunday 1 August 2010, where works are envisaged to be completed by late evening. The road will be slightly narrowed along the area of the works, where traffic will be controlled by the use of operatives with stop and go hand signals and temporary traffic lights during the evening. Temporary road works signs will be placed warning drivers of the works ahead.

We would like to take this opportunity to apologise to the general public for any inconveniences these works may cause them.
