PRESS RELEASE

No: 191/2010

Date: 5th August 2010

Law Courts Project – Erection of Tower Crane

As part of the Government's project for the new Law Courts, and in order for a Contractor to be able to erect a tower crane for the development, Town Range will be closed off to traffic from 8.00am on Sunday 8 August 2010 for a period not exceeding 10 hours. During this time traffic travelling southbound along Governor's Street will be diverted via George's Lane, where it will then continue through Cathedral Square into Line Wall Road. Appropriate signage for the guidance of drivers and in respect of the parking restrictions being implemented will be displayed in the area of the works.

The Government would like to take this opportunity to apologise to the general public for any inconvenience that these works may cause to them.
