PRESS RELEASE

No. 195/2010

Date: 10th August 2010

Following the Government's recent announcement on its decision to modify licences under the terms of the Leisure Areas (Licensing) Act, the Government wishes to make it clear for the avoidance of doubt that this decision does not in any way impact on the closing times of establishments within the designated leisure areas.

This decision was taken in order to protect residential neighbours in the vicinity of these areas from unreasonable noise disturbance.
