### **NEW MULTI STOREY CAR PARK TO BE BUILT AT ARENGO'S PALACE**

The Government of Gibraltar has initiated the tender process for the construction of a new multi-storey car park to be situated at Arengo's Palace. This car park forms part of the Government's Integrated Traffic, Parking and Transport Plan and is a continuation of the programme that has already seen car parks built at Willis's Road, New Harbours, Sandpits and under construction at Devil's Tower Road.

The Arengo's Palace car park when completed will provide two hundred and eleven car parking spaces. The current programme for the works anticipates a start on site in early January 2011 with completion in April 2012.
