Date: 5th November 2010

Dolphins Youth Club Clean Up on the Upper Rock in Aid of the GBC Open Day on Tuesday 2nd November 2010

Dolphins Youth Club continues to offer young people in the South District a wide variety of opportunities for them to develop their personal abilities and contribute to our community in general. The main focus of our work consists of allowing young people to actively participate in decision making process about specific projects that they chose to get involved in.

As part of their commitment to the youth club, young people have decided to raise some fund for the GBC Open Day by continuing cleaning up a section of the Upper Rock that they tackled under the Clean Up the World Programme last September. The Clean Up will take place on Tuesday 2nd November 2010. Janet Howard and some helpers from the Environmental Safety Group will be joining Dolphins Youth Club in this Clean Up in aid of the GBC Open Day.
