PRESS RELEASE

No: 295/2010

Date: 11th November 2010

AquaGib Replacement of Pumping Mains Glacis Road

In order to allow AquaGib to carry out essential works to replace their shipping mains at Glacis Road by Ocean Village Development, parking restrictions will be in force along the southern end of Portland House car park as from 08.00am on Monday 15 November 2010 for a period not exceeding four weeks. Works will be kept to the pavement and within the car park of Portland House at all times. Temporary road works signs will be placed warning drivers of the works ahead.

We would like to take this opportunity to apologise to the general public for any inconveniences these works may cause them.
