2010 Gibraltar Christmas Stamps

“The 2010 Gibraltar Christmas stamps have now been released. This year’s stamps have been designed to be as colourful and decorative as all the items associated with the season such as Christmas decorations, Christmas cards and Christmas gifts.

A set of 4 stamps, a First Day Cover and Presentation pack for collectors are available from the Philatelic Shop outside the Main Post Office in Main Street or through the Gibraltar stamp website www.gibraltar-stamps.com . The stamps are also available to the general public at the Royal Gibraltar Post Office counters for their Christmas mailings.”
