PRESS RELEASE

No. 48/2010

Date. 16th March 2010

GIBRALTAR WINS GOLD MEDAL IN THE EUROPEAN NETBALL UNDER 17
CHAMPIONSHIPS

It gives me great pleasure to congratulate, on behalf of everyone in Gibraltar, the Gibraltar Under 17 Netball Team for their fantastic achievement in having won the Gold Medal in the European Netball Under 17 2nd Division Championships held in Belfast, Northern Ireland.

I am well aware of the staunch dedication and sustained efforts put in by the players and coaches, always enthusiastically supported by the Association's Committee, in their preparations for participation in this international event. These efforts have justly paid off and it can be said that all of Gibraltar feels very proud of our Under 17's achievement.

It is particularly satisfying to see young teams from Gibraltar achieving such great results in official international competitions. This augurs very well indeed for the future of sports in Gibraltar and, in this present case, Netball in particular.

Once again we congratulate Gibraltar Netball and express our continued support for the development of all sports in Gibraltar.
