PRESS RELEASE

No: 15/2011

Date: 20th January 2011

ROYAL ENGAGEMENT GIBRALTAR STAMP

The first Gibraltar stamp issue of 2011 will commemorate the Royal Engagement between HRH Prince William and Miss Kate Middleton. This will consist of a stamp sheet featuring an official photograph of the Royal couple taken during the press conference announcing their engagement.

Gibraltar is proud to be one of the first countries to issue a stamp of the Royal Engagement and will become the first Commonwealth country to feature Miss Kate Middleton on a stamp.

This stamp will form part of a set, which will also include a Royal Wedding stamp sheet, which will be issued later this year and will feature an official photograph of the Royal Wedding.

The stamps and related philatelic items will be available from the Philatelic Counter at the Main Post Office in Main Street and through the Gibraltar stamp website www.gibraltar-stamps.com
