PRESS RELEASE

No: 16/2011

Date: 21st January 2011

Red Sands Road Excavation

Red Sands Road by the junction with the entrance to Grand Parade Car Park, will have one of its road lanes temporarily closed off to vehicular traffic as from 8.00am on Saturday 22 January 2011 for a period not exceeding 10 hours over three days, in order to allow a Contractor to undertake an excavation across Red Sands Road for the laying of services. During the time works are in progress, traffic will be controlled with the use of portable stop and go hand signals. Temporary road works traffic signs will be placed to inform pedestrians and to direct drivers accordingly.

We would like to take the opportunity to apologise to the public for any inconvenience these works may cause them and urge them to take care whilst driving along the proximity of the works.
