Junior Sport Leadership Award (JSLA) Festival of Sport Grand Finale

With the Summer Sports and Leisure Programme moving into its final week the young leaders who have taken part in the JSLA have had to put all they have learnt into practice for their final Festival of Sports.

This highly popular award has attracted over 25 young aspiring leaders to learn and take on the role of organisers, leaders and coaches.

With a hands on approach and practical sessions based on leadership, communication, fair play, competitions, refereeing, fitness, organising competitions and organisation of events the leaders have really raised the bar in what they have organised for their final event.

Children between the ages of 7 and 8 were treated to a host of Sports activities as well as elements of international fun and team athletics throughout the morning, enjoying it thoroughly. Although fun for the children it is great to see young people in the role of coaches and leaders, gaining valuable experience that will undoubtedly help them in their own personal development as well.

If you would like to learn more information on the JSLA and future awards please contact the Gibraltar Sports and Leisure Authority Sports Development Unit on 20076522 or email gibsportsdev@gibtelecom.net
