No. 284/2011

Date. 26th September 2011

Change of Name to Casemates Exhibition Galleries

The Ministry of Culture is pleased to announce that the Casemates Exhibition Galleries is to be renamed the Gustavo Bacarisas Gallery.

Following the very successful landmark exhibition recently organised by the Ministry of Culture, the Gibraltar Fine Arts Association suggested the change of name to preserve the “Life and Legacy” of Gibraltarian artist Gustavo Bacarisas.

The Gibraltar Government have welcomed the proposal and are delighted to preserve the artist’s name who was the first person to have been granted the first ever Honorary Freedom of the City of Gibraltar in 1962.
