**PRESS RELEASE**

No: 216/2012

Date: 30th March 2012.

**HMGOG awaits contact from Spanish Fishermen's Representatives**

The Government can confirm that it still awaits communication from those representatives of Spanish fishermen who, it was agreed, were to meet with the Commissioner of Police and the technical staff of the department of the Environment to have explained to them the details of Gibraltar's Nature Protection Act. These meetings were programmed as a result of the meeting the Chief Minister held last week with the Spanish MP and Mayor of Algeciras, Snr Jose Ignacio Landaluce and the Government trusts they will go ahead as soon as possible in order to ensure that any misunderstandings as to the ambit and effect of Gibraltar law can be explained in a spirit of friendship and co-operation.
