## **PRESS RELEASE**

No. 347/2012

Date: 30<sup>th</sup> May 2012

### **NORMAL PASSPORT SERVICE RESUMED**

The Head of Civil Status and Registration is pleased to inform the general public that the problems experienced with the fibre optic connections in United Kingdom have now been resolved and that normal passport services have been resumed. Efforts are being made to ensure that passports will be ready by their due dates and no delays are expected.
