## **PRESS RELEASE**

No. 378/2012

Date: 14<sup>th</sup> June 2012

### **RESURFACING OF ROSIA ROAD**

As part of the Government's ongoing road resurfacing programme, works to resurface several areas along the northern end of Rosia Road, will be undertaken as from 8.00am on Saturday 16<sup>th</sup> June until no later than 6.00pm on Monday 18<sup>th</sup> June 2012. Rosia Road from the junction of the mini roundabout by the area of the Trafalgar Interchange will be closed off to southbound traffic during this time. Vehicles wanting to travel south along Rosia Road will still be able to do so via Red Sands Road, where it will join back into Rosia Road on leaving Alameda Estate. Access towards the south district will also be available as existing via Europa Road. Northbound traffic flows will remain in place at all times through Rosia Road. Temporary road work and diversion signs will be in place to advise and guide drivers accordingly as they approach the site of the works. The Government would like to take this opportunity to apologise to the general public for any inconvenience that these works may cause them.
