PRESS RELEASE

No. 474/2012

Date: 26th July 2012

BA Flights secured by Minister Costa

The Government is amazed to hear Mr Bossino's claim that the previous government should take credit for the additional BA flights which are to be added to the schedule this coming winter. Demonstrably, these new, additional flights have been secured entirely through the considerable efforts of the Hon Minister Neil Costa and the tireless work of the Gibraltar Tourist Board.

'I can give the people of Gibraltar my categorical and personal assurance that these specific additional flights were secured directly and exclusively as a result of my meetings with BA,' said Minister Costa.

'Unless Mr Bossino can prove that these specific weekly additional flights were already secured by the GSD, he will be forever judged as someone willing to utter complete falsehoods simply for party-political reasons. Gibraltarians can continue to rest assured that, despite the grave political delusions of Mr Bossino, I will continue to work hard to create additional air connectivity.'
