PRESS RELEASE

No. 580/2012

Date: 14th September 2012

Beautification of estates will continue without extra floor

The Government has listened very carefully to the recommendations of the Development and Planning Commission and to the views of the respective tenant's associations of Glacis, Laguna and Moorish Castle Estates. Once these consultation exercises have been completed, the Government has taken the policy decision not to proceed with adding an additional floor to these Estates.

The beautification and recladding works will continue.
