JOINT PRESS RELEASE

No: 592/2012

Date: 21st September 2012

IN TOWN WITHOUT MY CAR

This is to inform the General Public that in celebration of European Mobility Week, Gibraltar will celebrate the event known as "In Town Without My Car", where the following traffic diversions will be in place as from 10.00am to 7.00pm on Saturday 22nd September 2012.

Main Street from Southport Gates to Cathedral Square will be closed off to traffic during this time. Traffic travelling along Trafalgar Road will be diverted northbound via Queensway. Secretary's Lane, Governor's Lane, Convent Place, Convent Lane and the part of southern end of Main Street from Kings Yard Lane will also be closed off to Traffic during this time. Traffic travelling along Town Range will also be diverted southbound from Convent Place to Kings Yard Lane, which will have the traffic flow reversed to allow traffic to exit at Main Street from where it will continue south to Trafalgar Interchange. Access for Taxis and Buses will remain through the restricted zones at all times.

We would like to take this opportunity to apologise to the general public for any inconvenience these changes may cause them.

The Government is delighted to support this initiative which is consistent with its environmental policy and would like to congratulate the organisers for the initiative.
