Date: 27th September 2012

Clean up the World 2012

Members and Leaders from both Dolphins Youth Club and the Youth Centre took part in this weekend's 'Clean up the World' event organised by the Environmental Safety Group. For the young people, it was a chance to be part of a worldwide community event and to work alongside a group of adult volunteers from various organisations.

The group concentrated their efforts on cleaning part of the tunnel system in the Northern Defences, especially the Commons Hall area which was extremely littered. The group quickly filled up numerous bags but the hard work was yet to come, as all the rubbish had to be carried out of the tunnel system and up to Moorish Castle Estate via a human chain.

Seeing so many people helping out and working together on a common goal was a very positive experience for the youngsters and the results gave everyone a real sense of achievement.

Both Dolphins Youth Club and the Youth Centre are always on the lookout for new members, aged between 12 and 18 years. For more information about the club's programmes and days of opening please contact the Youth Service on 20075020 or email gibyouth@gibtelecom.net.
