GIBRALTAR AUTUMN CULTURE PROGRAMME 2012

The Gibraltar Culture Agency has announced the programme of events for this year's Autumn Cultural Programme, from the 2nd October to the 15th December 2012.

The Cultural Agency is delighted to be a part of what should prove to be a series of enjoyable musical, dance and dramatic productions and trusts that everyone will be able to find something to their liking. The programme includes well loved events like the International Art Exhibition organised by the Agency and the traditional annual Zarzuela organised by Santos Productions. Amongst many other cultural activities there will also be Art History talks organised by the Decorative and Fine Arts Society.

The Cultural Agency would like to encourage everyone to make the most of what this year's programme has to offer and hopes to see you at the forthcoming events.

The full programme of events is attached.
