### **'THINKING GREEN' – THE TRADE FAIR IS ALREADY A BIG SUCCESS**

As tickets for the Thinking Green seminar continue to sell quickly, the associated Trade Fair is already a guaranteed success. Inside the Tercentenary Hall, the fourteen available stands have all been taken up by exhibitors with products as disparate as eco-beauty products, oil treatment services, industrial cleaning products and eco-friendly televisions.

Meanwhile, out in the Hall's entrance area, there is considerable interest in the remaining stands. Several Non-Governmental Organisations will be exhibiting around the entrance as well as a company specialising in environmentally-friendly, soil stabilisation products.

Entrance to the Trade Fair is free and it will be open from 1000 until 1530 on Sunday 21 October.

The seminar itself will start at 1600. Tickets are still available from the Nature Shop in Casemates or on-line via [Ticketmaster.es](http://Ticketmaster.es)
