No: 699/2012

Date: 25th October 2012

Mid-Term break activities for children and young people at the Kings Bastion Leisure Centre and Bayside Sports Centre.

We kick off with an Ice Skating Bonanza at the Kings Bastion Ice Rink.

Gibraltar Ice Skating Association (GISA) will be offering 'Learn to Skate' Classes for complete novices and intermediates as well as technical workshops for advanced skaters. GISA's aim is to ensure that all children and young people in Gibraltar have the opportunity to enjoy skating safely at the Kings Bastion Leisure Centre Rink and be aware of what is currently available. Skaters are introduced to safety requirements and basic techniques on the ice in both the beginners and intermediate levels and have the opportunity to develop their skills in Ice Dance, Ice Theatre and Free Skating, under the auspices of one of Gibraltar's top NISA Coach Jaime Spiteri and her Ice Helpers from the Gibraltar Rock Stars Figure Skating Club.

Classes will run Monday 29th October through to Friday 2nd November.

Contact Sharon on gisasec@gibcom.gi or tel 58700000 after 12noon for further information and to book your place.
