The Gibraltar Sports Development & Training Unit is in the process of updating the Gibraltar Sports & Leisure Authority Sports & Leisure Directory.

The Directory will include a great detail of information including details on Gibraltar's sports & leisure infrastructure, sports facilities, sports associations and organisations offering cultural and leisure opportunities. If your organisation or club offers Sport, Leisure and or exercise opportunities for residents of Gibraltar and would like us to consider including your details in the directory, please contact the Gibraltar Sports Development Unit on e-mail [gibsportsdev@gibtelecom.com](mailto:gibsportsdev@gibtelecom.com), telephone 20076522 or in writing addressed to the Gibraltar Sports Development & Training Unit at Bayside Sports Centre.
