SACRED HEART WIN JUBILEE QUIZ

GBC's Jubilee Quiz has been won by Sacred Heart Middle School who beat Loreto Convent School in Tuesday's final. Five schools had taken part in the competition which was aimed at year 7 pupils and run on a league basis over several weeks.

'I would like to congratulate all schools taking part in the GBC Jubilee Quiz,' said the Minister for Education, the Hon Gilbert Licudi. 'I would like to especially congratulate the pupils and staff from Sacred Heart Middle School, who emerged as the eventual winners. The hard work and level of preparation was evident from the quality of the answers given on a range of historical topics.'

The Minister added that the educational worth of events such as these should not be underestimated and is a good example of the community spirit which our schools work so hard to foster.

'Obviously, I am very proud that our children have excelled in this academic competition,' said Sacred Heart's head teacher, Mr Kenneth Saez. 'We are a relatively small school and this goes to show what lovely, bright children we have here.'
