### **Gibraltar Port Leisure Users Group**

Her Majesty's Government of Gibraltar is pleased to note the establishment of the Gibraltar Port Leisure Users Group consisting of representative members from a variety of leisure activity clubs based in and around the Port.

This group has been founded by the Captain of the Port, in order to promote a spirit of cooperation and understanding between leisure users of the port and surrounding waters, with the aim of making waterborne activities safer for all.

Commenting on this initiative, the Minister for Tourism, Transport and the Port, the Hon Neil Costa MP said "This is a new and welcome initiative which supports this government's policy of stakeholder consultation and which will foster greater understanding between potentially competing requirements of differing leisure and commercial activities."
