PRESS RELEASE

No. 845/2012

Date: 19th December 2012

Promotions in Fire Safety Department

There have been two promotions within the Fire Safety Department recently on the 13 December at the City Fire Brigade; Jonathan Golding has been promoted to the rank of Sub Officer and Liam Byrne to that of Leading Firefighter.

Sub Officer Jonathan Golding joined the City Fire Brigade in January 2000 and was promoted to Leading Firefighter in March 2008 he has served in the operations branch of the Brigade until that date at which time he was transferred to the Fire Safety Department. During this period he has attended various Firefighting courses including the Rope Rescue Level 2 Course.

Since his attachment with the Fire Safety Department he has undertaken a considerable number of specialist Fire Safety courses and additional Continuous Professional Development (CPD) courses and seminars. These include; Fire Safety Foundation I and II, Practical Fire Investigation, Fire Safety Solutions in non-residential premises, Fire Safety Solutions in Higher life risk premises, Fire Alarms and Emergency Lighting, Fire Safety Engineering Principles, Building Regulations and Guidance, Sprinkler design and Residential Sprinkler courses.

He has also been awarded the Level 3 Award in Training Skills and Practice and the Level 3 Award in Risk Assessment by the Chartered Institute of Environmental Health (CIEH).
