PRESS RELEASE

No. 135/2013

Date: 1st March 2013

Dockyard Public Clock

The Dockyard public clock has stopped due to a broken key component and it will be out of commission for a period of at least six weeks, whilst the faulty key part is removed and sent to the UK to be manufactured. This will be done by Smith of Derby, who are contracted by the Government to carry out annual inspections of all public clocks in Gibraltar.
