PRESS RELEASE

No. 177/2013

Date: 14th March 2013

Commonwealth Park – Demolition of access steps from Line Wall Road

As part of the on-going works to convert Commonwealth Parade into a park, there is a need to demolish the existing steps that lead down from Line Wall Road. Works will commence as from 8.00am on Saturday 16 March 2013 and will continue until no later than 8:00pm on Sunday 17 March 2013. During this time there will be no pedestrian access through this location. Temporary information signs will be in place informing the public about the works and of alternative access routes through the area.

As part of these works, the existing steps will be replaced by a temporary structure in order to continue providing pedestrian access through the area until such time as the permanent arrangement is completed.
