PRESS RELEASE

No. 238 /2013

Date: 5th April 2013

Glacis Road TSD Sewers Section Replacement of Collapsed Manhole Cover & Frame

The Sewers Infrastructure Section of the Government's Technical Services Department will be undertaking works to replace a defective main manhole cover and frame at Glacis Road from 8.00am on Sunday 7 April 2013 for a period not exceeding ten hours. During this time, the following traffic arrangements will be in place: Glacis Road from Waterport Roundabout up to its junction with Winston Churchill Avenue will have the northbound traffic lane closed to traffic, with the exception of Public Service Vehicles and the emergency services, whilst works are in progress. The southbound traffic lane will remain open at all times. Northbound traffic will be diverted along Corral Road and temporary road signs will be placed to inform drivers.
