Laguna Youth Club Disco Project 2013

In its Disco Project, launched on Friday 17 May, Laguna Youth Club is involving ten 13 to 15 year-olds with the aim of giving the young people experience in decision making and the opportunity to embrace responsibility. The project, which is supervised by the Youth Club's Leader, Mark Zammit, will also help them to develop their inter-personal skills.

On this occasion, Mark Zammit was accompanied by DJ Jona, who is in charge of the DJ Project and the RGP's Liaison Officer Eileen Yule. Meanwhile Sandra Shipley and Lisa Olivera are improving the young peoples' skills in food hygiene and in the running of the Tuck Shop. The group have been meeting up regularly over the past couple of months to discuss club projects and will be taking part in similar events in the future.

Mark Zammit would like to remind everyone that Laguna Youth Club has an open door policy and, therefore, all young people under the age of 25 are more than welcome at the Club. Additionally, the Laguna Youth Club will be holding a general meeting on Thursday 30th May to devise the summer programme. If anyone would like to get involved, please call Mark Zammit via 20078617 or 20075020.
