No: 399/2013

Date: 7<sup>th</sup> June 2013

**Gibraltar's Finance Centre Department to exhibit at the AIRMIC Conference 2013 in Brighton**

The Finance Centre Department of HM Government of Gibraltar will be attending and exhibiting at the Association of Insurance and Risk Managers in Industry and Commerce ("AIRMIC") Conference 2013 to be held in Brighton from Monday 10th to Wednesday 12th June 2013.

Michael Ashton, Senior Finance Centre Executive will be accompanied by Nyoka Catania and Joanne Martinez and the Gibraltar insurance sector is expected to be well represented.

This will be AIRMIC's half century conference and its community has grown from 22 insurance managers at the first meeting in London in 1963 to this year's event where over 800 delegates are expected to attend, representing the largest purchasers of corporate insurance and risk management services in the UK.

The Hon Gilbert Licudi QC, Minister with responsibility for financial services stated "The Finance Centre Department's presence at AIRMIC, the first time for a number of years, follows our participation at two other key insurance conferences (Captive Live and the British Insurance Brokers' Association "BIBA") earlier this year. One new insurance company has already been licensed by the Financial Services Commission this year and there are a number of applications being considered or being prepared for submission. We expect to see further growth in this sector over the next year".
