PRESS RELEASE

No. 526/2013

Date: 17th July 2013

No 4 Dock Car Park (Ex – RGYC Site)

HM Government of Gibraltar is pleased to announce the opening of the new car park at the ex-Royal Gibraltar Yacht Club site. This is in line with the Government's manifesto commitment to re-provide any loss of free parking. The car park will be operational from Thursday 18th July at 11am. It has a capacity for 186 parking spaces, including 2 disabled bays and 4 motorcycle bays accommodating approximately 23 motorbikes. This will alleviate the loss of parking at the Naval Ground Site due to the vacating of that car park to make way for the fair.
