Date: 6<sup>th</sup> August 2013

### **HM Customs Health & Safety Awards**

A group of Customs Officers recently completed their Level II Health & Safety Awards

They were presented with their certificates by Charles Zammit, the Senior Environmental Health Officer who ran the training course under the authority of the Chartered Institute of Environmental Health. The course covered Health & Safety in the workplace, related hazards, procedural models and risk management. The training was subsidised by HM Government of Gibraltar and reflects the significance that HM Customs place on officers' professional development and the attention to Health & Safety issues. John Rodriguez, the Collector of Customs, presided over the award presentation.
