PRESS RELEASE

No: 626/2013

Date: 4th September 2013

HM Customs Enforcement Qualifications

13 Officers of HM Customs Enforcement Division recently qualified as operators of the SAFRAN Morpho Ion Trace Detection apparatus. This equipment tests for the extant and past presence of narcotics, explosives, chemical & biological agents and has already produced valuable results in the first few weeks of operation.

The training was conducted by the regional manager of Morpho Detection (UK) Ltd.

Customs Officers PI Cornelio, S Schembri, J Gonzalez, A MacDonald, R Mor, RW Pitaluga, D Garcia, J Gracia & SJ Peralta were all certified as Mobile Trace Detection Operators. Additionally, Enforcement Surveyor CJ McHard, Executive Officers EP Danino & J Payas and officer N Gomez were presented with certificates for administration & maintenance of the apparatus.

John S Rodriguez, Collector of Customs, presided over the award presentation.
