Gibraltar Youth Service Cake Stall

A group of young people who are regular users of Plater and Dolphins Youth Clubs held a cake stall and raffle recently to raise funds for the ongoing programme of events at their respective youth clubs.

This fund raising activity is part of the young peoples' efforts to meet the costs of taking part in a residential course at the Europa Retreat Centre later this month. It also provides those taking part in this project with the opportunity of working together as a team.

The winning number for the raffle was 225 and it went to Kyreen Edwards of 12 Blackwatch House, Laguna Estate.

Other projects will be taking place later in the year such as the Cavalcade programme. Young people are encouraged and supported at all times to consider opportunities brought to their notice and to contribute with their own ideas and proposals.

The Gibraltar Youth Service would like to thank all the local businesses that supported this fundraising event by donating gifts and vouchers for the raffle.
