PRESS RELEASE

No: 853/2013

Date: 26th November 2013

ORDER EARLY FOR CHRISTMAS

The Royal Gibraltar Post Office (RGPO) kindly requests its customers to make their Christmas online / catalogue purchases as early as possible to ensure that the parcels arrive in time for the festive period. In line with the international trend, letter, packet and parcel mail to Gibraltar has substantially increased recently as more business is being done on-line. It is essential that postal items arrive promptly in Gibraltar so as to give the RGPO the best possible chance of delivering them before Christmas.

RGPO Customers are also requested to assist us by clearing items from the Parcel Office at 45 North Mole Road as soon as possible after being advised of their arrival. The vast turnover expected this year necessitates maximum and efficient use of the storage space available.
