Eastern Beach Bus Stop

The Gibraltar Bus Company Ltd (GBCL) wishes to inform the general public that due to the building of the new residential area at the Old Aerial Farm by Devil's Tower Road, and until further notice, the Eastern Beach Bus Stop has been relocated 55 meters south.

Some of our regular users may recall that this was the same area GBCL used as a bus stop prior to the main Devil's Tower Road works.

We apologise for any inconvenience that this may cause to users of our bus service.
