GIBRALTAR'S 1ST MEGA CONCERT

The Ministry of Culture is pleased to announce the Gibraltar Music Festival, which will be staged at the Victoria Stadium on Saturday 8th September 2012. Delivering the Rock's first Mega Concert is a manifesto commitment and the Government is confident the line-up will appeal to a wide cross-section of Gibraltar.

Jessie J will be the headline act. With massive hits like 'Price Tag' and 'Laserlight', Jessie J is the first British female artist to have six top ten singles on one album, and has also served as coach and mentor on television show, The Voice UK.

With iconic songs like 'Red Red Wine', Ali Campbell toured the globe for 30 years as the lead singer and founding member of UB40, selling over 70 million records worldwide. Ali Campbell's UB40 is also confirmed.

Three local bands will feature: Noiz, Jetstream and Atomica 4. Further details will be announced at a press conference early next week. Anyone interested in purchasing tickets can register their interest at the Festival website:

The Gibraltar Music Festival is being organised by a management board. The Ministry will be collaborating with the board and will provide assistance as required to ensure the smooth running of the event. Tickets will go on sale on Wednesday the 15th of August.
