PRESS RELEASE

No. 135/2014

Date: 27th March 2014

New pillar box at Hospital Ramp

The Royal Gibraltar Post Office (RGPO) has installed a new pillar box on the west wall at the top of Hospital Ramp.

The new box, an Elizabeth II Lamp (which has been wall-mounted), is located just round the bend at the bottom of Hospital Hill and will serve the catchment area that is to include the new St Bernard's First & Middle Schools and the Recreation Centre. The new box will also benefit the many motorcyclists who use that avenue into town, as it is possible to drive right up against it.
