Gibraltar Youth Service Day trip to Aventura Amazonia

A group of 15 users from the four youth clubs recently spent a day at Aventura Amazonia, an adventure park located near Marbella in Spain.

The group had a chance to test their climbing skills and challenge their fear of heights on the different aerial circuits.

The Youth Service continues to provide extra services to young people by offering new opportunities that will allow them to have new challenging and exciting experiences.

The Gibraltar Youth Service team is currently working on a summer programme of events that will explore other areas of interest and personal development opportunities.
