The users of St Bernadette's recently enjoyed a Fun Day of sensory art, face painting, games and dancing followed by a barbeque in the Centre's garden. Care Agency staff were supported by employees of Aon Insurance Managers (Gibraltar) Limited who were celebrating their 'Global Service Day.'

Samantha Sacramento, Minister for Equality, Social Services and the Elderly stated, "The day has been a huge success and it gives me great pleasure in knowing that there are people in our community who are willing to give of their time for the purposes of bringing enjoyment to our service users. I would like to thank everyone from Aon Insurance Managers (Gibraltar) Limited who supported our staff."

Mr Dermont Finnerty, Managing Director of Aon Insurance Managers (Gibraltar) Limited added, "It was a wonderful experience meeting the staff and users of the centre and it was a fantastic opportunity for Aon to give something back to the community."
