## **PRESS RELEASE**

No: 426/2014

Date: 13<sup>th</sup> August 2014

### **A-Level Results**

Tomorrow, students will be able to collect A-Level results as from 8.00 am at their respective institution. Opening schools earlier will afford our students the greatest possible advantage of securing a university place given the time difference between the UK and Gibraltar.

Schools will be issuing A-Level results as from 8 am tomorrow, Thursday 14th August.
