The Minister for Culture, The Hon Steven Linares MP, is quoted as saying:

"The Gibraltar International Jazz Festival is once again a meeting point for the international jazz scene, taking place for the third time and once again affirming Gibraltar's reputation as a jazz metropolis.

With its extensive professional programme at Queen's Cinema as well as the workshops, the event brings together the international jazz scene.

I am delighted that this Festival has attracted great interest from many in the Jazz fraternity around the world and is a wonderful opportunity to highlight that 'Gibraltar sounds good!'.

We recognize that these kinds of international events shall enhance the visibility of Gibraltar around the world."

George Posso, president of the Gibraltar Jazz Society, said:

"The overwhelming reactions of the visitors and the artists, the promised support of the Government of Gibraltar and the help of our partners and sponsors, encourages us to plan more Gibraltar International Jazz Festivals and become part of the International Jazz Circuit.

We aim to integrate into the life of Gibraltar, work together with institutions, companies and locals, in order to make the Festival even more attractive.

We thank the Government of Gibraltar for hosting our Gibraltar International Jazz Festival, and we look forward to organizing many International Jazz Festivals over the years to come, so as to conquer many hearts with Jazz Music".
