PRESS RELEASE

No: 461/2014

Date: 8th September 2014

No September meeting of Parliament

There will be no meeting of Parliament in September due to the refurbishment works which continue inside the building.

The contractors have recommended to the Government that the sensitive electronic audio-visual equipment should not be exposed to dust and other potential threats.

The Speaker and the Leader of the Opposition are aware of the situation and have agreed that the next meeting should be in October.
