### **National Day celebrations at Dr Giraldi and St Bernadettes**

Residents at Dr Giraldi Home and service users at St Bernadette's Resource Centre have celebrated National Day at the centre.

Service users and staff have worked hard to decorate the centre in red and white. This year everyone was treated to music by the King's Chapel choir. Everyone joined in the celebrations and had a wonderful time.

'It is now customary to organise a party at the centre for National Week and everyone looks forward to it. This year we were all treated to lively music by the choir which was clearly enjoyed by all,' said Samantha Sacramento, Minister for Equality, Social Services and the Elderly.
