GIDA perform at the Care Agency Day Centre

Dancers from the Gibraltar International Dance Association performed at the Care Agency's Day Centre for the elderly at Waterport terraces last week. The team performed pieces which competed in the 2014 World Dance Championships.

The day culminated in impromptu dancing between the dancers and the service users and was a thoroughly enjoyable experience.

Commenting on the day, Minister for the Elderly Samantha Sacramento said: "I am very grateful to all the dancers, and of course their teachers, who have given up of their time to entertain the elderly people who attend the centre. The standard of dance was incredibly high, it was great to see the interaction between young and old and also shows the joy that can be shared in our community through the performing arts."
