Clean Up the World

In conjunction with the Environmental Safety Group's initiative, young people from the Youth Centre and Dolphin's Youth club joined forces with the Gibraltar Rotary Club to clean up the Little Bay area on Saturday 20th September 2014. Wearing gloves and high-visibility vests and using litter pickers, the young people gathered a large amount of rubbish and debris from in and around Little Bay.

The young people and staff from both Youth Clubs would like to thank the organisers the ESG, and in particular Janet Howitt, for providing young people with the opportunity to make a positive contribution towards their environment whilst having fun.
