Gibraltar Finance to participate in Hedge Fund Startup Forum 2014, in Zurich

Gibraltar Finance together with members of the Gibraltar Funds & Investments Association (GFIA) will be attending and exhibiting at the Hedge Fund Startup Forum to be held today in Zurich.

This follows on the heels of the very successful Funds Lunch in London this week hosted by Government working closely with GFIA as part of the Gibraltar Day series of events.

The Forum is the leading event for those looking to start a hedge fund and provides all the key insights into starting, maintaining and growing a successful hedge fund. The event provides those looking to start a Hedge Fund with an in depth guide to setting up a fund and gaining investment.

The Gibraltar delegation will include Gibraltar Finance Senior Executives, Philip Canessa and Mike Ashton who will have the opportunity to discuss the benefits of using Gibraltar as a domicile of choice within the European Union single market for the establishment of Funds, Hedge Funds, Asset Managers and Hedge Fund Managers requiring the facility to passport throughout the EU.

Albert Isola MP, Minister for Financial Services and Gaming commented, "This Forum is the ideal event for Gibraltar Finance and GFIA to showcase our offering and the advantages for hedge fund startups to use Gibraltar as their preferred EU jurisdiction. This event in Zurich, together with our recent successful visit to Geneva, is essential to develop our Funds and Asset Management sector in Switzerland which is one of our key markets."
