**£20 GIBRALTAR SILVER ROYAL TO BE LAUNCHED IN BERLIN
AT THE WORLD MONEY FAIR 2014**

Her Majesty's Government of Gibraltar is pleased to announce the issue of the Gibraltar Silver Royal, a legal tender coin with a face value of £20 containing one troy ounce of pure fine silver with a millesimal fineness of 999 (99.9%).

The new £20 silver bullion coin, which is being minted by the Austrian Mint - one of the World's leading mints - will be launched this week in Berlin at the World Money Fair 2014.

The £20 Gibraltar Silver Royal is engraved on the obverse with a timeless effigy of Her Majesty Queen Elizabeth II, together with the image of Rock of Gibraltar in the background and the inscription "Queen of Gibraltar". The reverse of the Gibraltar Silver Royal depicts the Coat of Arms of Gibraltar.

The quality and elegance of the Gibraltar Silver Royal combined with the purity of its silver content and high legal tender value will make this issue a powerful entry for Gibraltar into the international world of silver bullion coins for investment.
